ALTERNATIVE EDUCATION AGREEMENT

It is our understanding that you have opted for your child or children to attend home school, online or charter school programs (not affiliated with a Lake County High School). If so, the following criteria must be met in order for your child to be eligible for the Collins-McDonald Trust Fund:

- The Funds agree to accept such home school or charter school programs (whether based in Lake County, Oregon or otherwise) as long as the student and his or her parent/guardian is domiciled in Lake County while attending such program. Domicile is defined as physical presence in Lake County, Oregon and is further evidenced by one's legal address, voter registration, and any other facts or circumstances evidencing that a student's, parent's, or guardian's fixed permanent residence/home is in Lake County, Oregon; and
- Parent and/or guardian of home school students must provide documentation from the Lake County Education Service District that your child has passed the standardized test provided by the Lake County Education Service District; and
- Students must provide an official transcript with grades and proof of SATs when applying for scholarship funds.
